3. All applicants must be registered with the Teaching Council – see hereunder.

Teaching Council Registration
It is mandatory that all those undertaking the position of Oral/Practical/Task Examiner are registered on the Register of Teachers maintained by the Teaching Council in order to comply with The National Vetting Bureau (Children and Vulnerable Persons) Act 2012.

What to do if I am registered?
Complete your registration details - registration number, name as it appears on the register and renewal date - on the application form. The SEC will validate the registration details against the register. Please ensure that you complete these details as failure to do so may delay processing your application. If you are registered at the time of applying and are subsequently appointed, it is your responsibility to ensure that your registration does not lapse and that you are registered at the time of the examinations in February /March/April/May.

What to do if I am not registered?
Complete the application form for the position of Oral/Practical/Task Examiner in the normal way but indicate that you are not registered. Return the form to the SEC in normal way. However, you must also apply immediately to the Teaching Council for registration and have the registration details submitted before the appointments are made in December 2019 for the February Tasks examiners, and in March 2020 for the LCA Oral/Practical/May Tasks examiners.

Important Information about the Registration Process
It is each applicant’s own responsibility to ensure that they are on the Register of Teachers and to provide the SEC with their registration number, when requested. The registration process, which includes a process of Garda Vetting, may take 6 - 8 weeks once all required documentation has been received. Applicants are advised to apply for registration immediately. For administrative reasons, the SEC requires all potential applicants for examining positions in the 2020 exams to be registered in the case of February Tasks examiners from December 2019 and LCA Oral/Practical/May Tasks from March 2020. Information on the registration process, including details of registration fees, is available on the Teaching Council’s website www.teachingcouncil.ie. The State Examinations Commission accepts no liability for teacher registration fees or for any applicant’s inability to meet the registration and vetting requirement within the specified timeframe.

4. Appointment to the position of Examiner for the Oral/Practical/Task Tests will be regarded as a contract of Service. Examiners will be required to give their full time to the work over the period of appointment. All examiners will be required to attend for the full duration of a conference before the commencement of examining. Examinations must be conducted during normal school hours.

5. Appointment as examiner in any given year does not confer the right to appointment in subsequent years.

6. All examiners are required to provide their mobile phone number as we may need to contact you at short notice in the lead up to or during the examinations.

7. Travelling expenses and subsistence allowances paid to an examiner will be in accordance with Department of Finance regulations. All approved expenses paid to contract staff engaged on the 2020 examinations will be in accordance with published public service rates. Further information is available from the Information for Contract Staff Section of www.examinations.ie

8. In line with the terms of the Public Service Stability Agreement, the SEC will be applying the relevant increases to contract staff remuneration in 2020.
9. All payments on foot of this appointment will be made through an electronic money transfer system (i.e. Paypath). We will collect your bank details at a later stage. It is not possible to arrange payment other than to a bank account, therefore acceptance of payment to a bank account is a condition of employment.

10. If you fail to comply fully with the SEC’s Instructions or if you act in a way which jeopardises the security or integrity of the examinations or if you act in a way which jeopardises the performance of the candidates, you are liable to be dismissed and you may also be refused any future appointment. If you are dismissed, you shall have no claim whatsoever against the SEC for remuneration or expenses.

11. Applicants should note that all applications will be considered fairly and impartially by the State Examinations Commission. Applicants giving incorrect information will be disqualified. Canvassing will lead to the application being disqualified.
