Leaving Certificate Accounting Examination Stationery for 2018 and future years

The purpose of this circular is to provide clarity in relation to the examination stationery that will be provided for the 2018 Leaving Certificate Accounting examination and all future examinations in Leaving Certificate Accounting.

1. Introduction

Up to and including the 2017 examinations, candidates taking Leaving Certificate Accounting were provided with two answer-books in which to complete their examination, one standard answer-book and one Accounting answer-book. In response to feedback from teachers and examination candidates, the SEC has updated the Accounting stationery for use in 2018 and future years. Students will continue to be provided with a standard answer-book and, in addition, can request a special Accounting answer-sheet, or sheets, from the Superintendent. These Accounting answer-sheets have been designed to facilitate the completion of tabular statements and budgeting questions.

2. Leaving Certificate Accounting examination from 2018

The following stationery arrangements will apply:

- A standard answer book will be provided to every candidate
- On request, candidates will be provided with an Accounting answer-sheet, or, as needed, a number of such sheets, suitable for tabular statements and budgeting questions.
- Candidates will be asked to attach the Accounting answer-sheet(s) with a treasury tag to their standard answer-book for return to the SEC. Treasury tags will be provided by the Superintendent.

The separate Leaving Certificate Accounting answer-book available up to 2017 will no longer be supplied.

3. Attachments

A sample of the new Accounting supplementary answer-sheet is enclosed with this circular.

Please bring this circular and the accompanying Accounting supplementary answer-sheet to the notice of all teachers and students of Leaving Certificate Accounting in your school.
